

BRINGING HEALTHCARE *Home.*

Clinic@Home is available to all individuals on a Medicaid waiver including: CADI, BI, DD, AC, CAC, and EW.

Clinic@Home™

At HealtheMed, we meet you where you are. Clinic@Home brings the support and tools you need—right to your home so you spend less time at the doctor's office and more time doing the things you love.

WHAT YOU CAN EXPECT:

Layers of Dedicated Support

You won't be alone—we'll work with your team, or provide one if you need it. We're here to support you every step of the way.

Easy-to-Use Technology

Our innovative technology makes it simple for you to manage your health all from the click of a remote using the HealtheMed-provided Sony Smart TV.

Extra Features & Benefits

You'll have the right tools and support for your personalized care, including medication and appointment reminders, access to a health video library, and real-time communication with your care team.

Spend less time at
the doctor's office and
more time at home with

Clinic@Home™

More than just support,
Clinic@Home includes extra features
to help you stay healthy at home:

- ✓ Get quick answers to your questions and work together with your care team to set and achieve your health goals.
- ✓ Receive personalized insights into your health along with steps for improvement.
- ✓ Enjoy the convenience of medication and appointment reminders, telemedicine services, and more—all designed to help you manage your health with ease.
- ✓ Invite care team members outside of Clinic@Home to stay connected and participate in your progress.
- ✓ Connect to telemedicine appointments with the support of a Clinical Consultant, including access to health and wellness providers, talk therapy, and psychiatric care.

Getting started with Clinic@Home is
quick and hassle-free, and our user-
friendly platform makes it easy to
manage your health with confidence.

Our technology makes managing your health easy, providing everything you need to stay on top of medications, vital signs, and doctor's appointments—all from the comfort of home. No tech experience necessary; we provide ongoing support and training.

What People Are Saying About Clinic@Home

“ I don't have a car. Leaving the house gives me anxiety, and now I don't have to worry about getting to appointments - I have my appointments right here.

- Maria, Clinic@Home Client

“ The HealtheMed team is great. They always check in on me and are always willing to help if I need anything.

- Sofia, Clinic@Home Client

“ Everything now is so economical and convenient for me. I don't have to run anywhere or go anywhere. I can talk to the doctor right over the tv.

- Luciana, Clinic@Home Client
